Thank you for your interest in volunteering with HertSavers. We will use the information on this form solely for the purpose of considering your application to become a volunteer and will not share it with any other party unless legally obliged to do so.

For various reasons we cannot accept everyone who wishes to become a volunteer with HertSavers. If we are able to proceed with your application we shall invite you to visit in Hatfield for an informal chat to help both you and HertSavers decide what you want to do and where your skills may best be used.

Credit unions are an ethical source of financial services and help communities grow by keeping money in the local economy, as well as being a key player in tackling financial exclusion.

When completed this form should be sent to:
